

# THE BOOK OF HEALING

As shown in this picture: In order for a Christian to be successful in the Healing Ministry, they will first need to get past a large wall of 'religious lies, deceptions and delusions', that has been built up over hundreds of years in the Church. These delusions sound spiritual, but they are unbiblical, traditions of men, sacred cows, doctrines of demons, which have crippled our ability to minister healing. Most bad doctrine on Healing comes from when Christians pray for a healing, don't get results, and then they come up with a religious sounding reason for their failure.

-- Version 4.5 This book's most recent version is at [www.DivineRevelations.info/HEALING](http://www.DivineRevelations.info/HEALING) Formatted for double sided printing. --

Jesus was able to heal every type of sickness and disease, for every person that He prayed for. He wanted His healing ministry to continue, even after His Ascension. Therefore, He gave power to His Church, and expected them to Go, heal the sick and set the captives free, just as He did. But most of the Church is NOT living up to that expectation. Any reasonable Christian must ask themselves why is the Church not Healing like Jesus was? Why are Christians just as sick as the rest of the world? The first thing you need to do in the Healing Ministry is to learn what the bible actually says about Healing, then you'll be able to counter all the lies, deceptions, misunderstanding and confusion about the subject of Healing. Here are the main verses, get familiar with these.

# TRUTHS OF HEALING

In the pursuit of this ministry, here are some of the key truths we have found regarding the subject of Healing.

- Most bad doctrine on Healing comes from when Christians pray for a healing, don't get results, and then they come up with a religious sounding reason for their failure.
  - Therefore, if you want to learn about Healing, DON'T listen to people who are not producing results. Our study is primarily from the John G. Lake Ministry.
- The Healing ministry is Life or Death, you need to take it seriously.
  - We shouldn't tolerate anything less than what Jesus saw in the area of Healing.
- The Check for your healing is already written, it was written 2000 years ago. Jesus already finished His work. We don't need to beg God to write another Check. We just need to cash the Check that was written on Calvary.
- God is NOT fickle, so never doubt God's willingness to Heal. He promised it.
  - Health and Healing are both in the Atonement/Covenant.
  - It's a promise, you don't need to beg for it. God is not wavering on His promises.
  - It's not transactional: You don't need to earn it, or make a deal with God, or twist God's arm for it.
- God's power is mechanical.
  - You only need faith the size of a mustard seed, but Christians often think they need faith the size of a Mountain to remove a tumor the size of a mustard seed.
- Stop begging and start reigning. Stop thinking like servants and start thinking like sons.
  - Command Healing, don't ask for it. Talk to the Illness like it is a person, tell it what to do.
  - Asking God to heal the person in front of you, is like a sheriff asking the governor to give someone a speeding ticket. The governor already delegated that power to the sheriff.
- The Salvation that Jesus brought is for the Body, Soul and Spirit.
  - So don't cheapen the salvation message by removing its benefits.
  - Salvation for the Body = Healing
  - Salvation for the Spirit = Deliverance from evil spirits
  - Salvation for the Soul = Heaven
  - [John 3:16](#), [2 Peter 3:9](#) God's not willing for any to perish, that means Body, Soul or Spirit.
- Healing is part of the Gospel presentation. Jesus used it when He preached, so should we.
  - We follow the example of Jesus, not necessarily the example set by the Disciples/Apostles.
  - The Body of Christ should NOT be sick. Jesus is the Living God, not the sick God.
  - Why would the secular world want to Join the body of Christ if we are just as sick as everyone else?
  - There is no hindrance to the Power of Healing except that you think there is.
- The Kingdom of God is superior and supreme, reigning over every other kingdom.
  - The Father has given us the Kingdom so we can do the things Jesus did, fulfilling His will.
- If you want to be successful in the Healing ministry you must passionately **HATE** all sickness, illness, disease, disability, disorder, infirmity or impairment.
  - Sit down, look at a thousand pictures of disease and sickness, and then get furious that all the suffering that Jesus endured to heal them, is NOT benefiting these people!
- Unless the Holy Spirit directs otherwise, just do the Bible.
  - You're not waiting for the Spirit, He's waiting for you, just do the things commanded in scripture.
  - You don't need a confirmation to do what God already commanded you to do in the Scripture.
  - Don't wait for a phone call when you've already got a letter.
  - You don't need to wait for a feeling of anointing, the Spirit Filled Christian is already anointed to destroy the works of the devil. Whether they feel it or not.
  - A spirit filled Christian is the container for God's Healing Power. Jesus has delegated His Power of Healing to the Church, it's our job to deliver it, just like evangelism is our job.
- When praying over distance, if you cannot see the person physically, use overkill in prayer.
- Once you get baptized in the Spirit, you have all the power you need to destroy the works of the devil.
  - God didn't give you a Gun with no bullets.
  - I am God's son, Man's servant, and the devil's master.
  - When Jesus moved in, He brought all His stuff.
  - Some ministers were working in healing even before the Baptism of the Spirit.

- The greatest healing ministers of the last 2 millennium were just seeds for the next generation.
  - Jesus will get His church to the point that they will be doing Greater Works than He showed.
- Why would anyone think its harder for God to Heal them, than forgive them? [Matt 2:10](#)
- Jesus has ALL Authority, ([Matt 28:18](#)) He didn't give ANY authority to satan.
  - So never say, satan has authority in this area. satan stands condemned. [John 16:11](#)
- The great thing about the Healing ministry is that you can quickly tell who has authority by who is getting results. There's no pretending; it either works, or your friends start dying.
  - Some Christians like praying vague prayers, that you can never tell if they've been answered. This doesn't work in the healing ministry.
- Just because you found a physical/medical reason for a sickness, doesn't mean it's justified.
  - Of course, every sickness has a physical component, that doesn't mean God can't Heal it.
- When you start in the Healing Ministry you may want to write a personal covenant with God.
  - My personal covenant is at the back of this book.
- If someone who is Healed continues in Unforgiveness, then it will continue to eat away at them.
- When God calls someone home, there is NO reason they need to be sick or in pain or suffering!
  - Don't tolerate sickness, pain and suffering even if you think it may be someone's time.
  - If God wants them, then they can go in peace, at rest, with a big smile on their face.
- The bible talks about stirring up your faith. [2 Tim 1:6](#)
  - The atmosphere of Expectancy is the breeding ground of Miracles.
  - Hearing testimonies of Healing, watching videos, can stir up your faith.
  - Hearing what the Word of God says about Healing can stir up your faith.
  - Once a healing takes place, have the person share their testimony, to stir up others.
  - Faith can be thought of as "connecting Past Victories to Present Circumstances." Therefore, it can get easier to pray for the sick, the more times you've seen healing. It builds momentum.
- There are several prophetic revelations of a place in Heaven called, "The Body Parts Warehouse." Were every 'body-part' any person could ever need is ready and waiting to be taken by Faith.
- Don't just cast evil spirits out. I give them a going away present.
  - I command the HOST to give them a violent beating, a fierce thrashing, and severe judgements.
- Don't forget these important 3 Letters when you pray for Healing . . . . . **N O W**
- When you command Healing, try to look into the face of Jesus, it will strengthen your faith.
- Every promise God made to His people in the Old Testament, you can say...
 

*"I have a better covenant, with better promises."*
- It's too late for any sickness, the Blood of Jesus is already on the Mercy Seat.
- Living in *Divine Health* does NOT mean sick...healed...sick...healed...sick...healed...etc
- A medical emergency is a 'Crisis' to the unprepared, and an 'Opportunity' to the prepared.

### Just Press Through

- If you fail to produce results in Healing, just DON'T STOP. Just keep going in the Ministry.
  - The militant, those with Grit, are more likely to press through until they see a healing.
  - satan knows if he can just discourage you, you may stop advancing in the Ministry.
  - If you need to pray for 100 people before you see results, JUST DO IT. Press Through.
  - P.U.S.H Pray Until Something Happens
- Ministers have found that occasionally a burst/blast of faith can dislodge a sickness more than just a leisurely flow. This is why they often shout.

## God is good, the devil is bad, it's that simple.

- **NEVER** blame God for sickness. Sickness is a work of the devil. Steal, Kill, Destroy
- The reason many Christians don't fight harder for healing is because the devil has convinced them that this sickness is from God. (Maybe to teach them a lesson!)
- As long as you think God is the problem, you'll never operate in Healing.
- God is not trying to teach you something by making you sick.
- God doesn't get glory by defeating sickness on the Cross, and you being sick.
  - If you've been convinced that you need to bare a sickness or disability for God, then you've got a crooked lawyer. Because then both Jesus and you are suffering for the same issue!
- Any failure to produce results when praying for Healing, is the minister's fault, so don't blame God, and don't blame the sick person.

## Don't limit God by your thinking.

- [Matt 9:29](#) According to your faith let it be done to you.
- Stop believing God is weaker than the devil.
- The name of Jesus is far above the name of ANY sickness. [Philippians 2:9](#)
- I do not accept ANY limitation to the Healing Power of Jesus
  - To Him there is NO BIG problems
  - God's Word can just as easily raise 1000 burnt corpses as it can fix a toe-nail.

## Healing is a sign/confirmation of these 3 things...

- God loves people and wants them to be healed.
- Jesus' complete and total Victory on the Cross.
- The Kingdom of God is near, it is Superior, and reigns Supreme over every other.
  - Healing is a sign, it's not a reward
  - You didn't earn it, you don't deserve it, and I don't deserve to minister it. It's just God's Will.

## Healing Faith is NOT limited by...

- Healing power is NOT limited by distance.
  - There is no distance in the Spirit. Healing can be in front of you or around the world.
  - Healing power is NOT limited just because the sick person is at the other end of a phone.
- Healing power is NOT limited by the past sins in the sick person's ancestry.
- Healing power is NOT limited by my knowledge of the disease/disorder.
- Healing Power is NOT limited to the Human Race.
  - There are plenty of examples of God healing animals.
- Healing power is NOT limited by how loud I can scream at it.
  - His power is not limited even if you're a small, quiet, gentle, mild mannered Christian.
- Healing power is NOT limited even if the minister is sick, Elisha did miracles up to his death.
- Healing power is NOT limited even if the minister is tired or sleeping.
  - John G. Lake got people healed even when He was sleeping.
- Healing power is NOT limited to Physical issues, it also covers Psychological, and Spiritual.
  - [Mark 5:15](#) the demoniac was in his right mind, and the legion was gone.
- Healing power is NOT limited by whether you've been a Christian for a day or a century.
- Healing power is NOT limited to just praying for 1 person at a time.
  - You can pray for 100 people simultaneously. You can pray over a picture or a list of names.
- Healing power is NOT limited by how much I love.
  - [1 Cor 13:2](#) showed you can have faith to heal, and yet still not have love. (Not the preferred way, but it works)
- Healing power is NOT limited by my sympathy, or by how I feel, it's NOT emotional
  - Jesus woke up in a boat, while it was cold, wet, raining, stormy, with a bunch of panicked men yelling at Him, and He could instantly calm a Storm.
    - He didn't need to have quite time first,
    - He didn't need to have everyone on the boat pray in agreement to stop the storm,
    - He didn't need to sing a hymn to settle His soul, or to invite the presence.
    - He didn't need to focus His mind with a devotional,
    - He didn't need an hour a prayer to build up His faith,
    - He just commanded with faith and it was done. [Luke 8:24](#)
    - These other things are good, but they just DON'T LIMIT God's Healing Power.
- Healing power is NOT limited if you don't use anointing oil.
- Healing power is NOT limited if you aren't baptized in the Holy Spirit, or speak in tongues.
  - John G. Lake was healing people even before these things happened to him.
- Healing power is NOT limited to just fixing body parts, it can bring new parts or parts they don't even have.
- Healing power is NOT limited if the sick person is in sin. (or if they even believe in God)
  - Jesus healed people who were in sin. [John 5:14](#) "stop sinning or something worse may happen to you."
  - If the healed person chooses to stay in sin after their healing, they can answer to God for that.
- Healing power is NOT limited by the sick person's faith, or whether they even believe in Healing.
  - Never say, "If you can believe it, you can receive it." The minister is the one praying in Faith.
  - I've been given power over the works of darkness whether the sick person believes it or not.
  - The sick person doesn't even need to know you're praying for them.
- Healing power is NOT limited just because the sick person continues to take medication.
- Healing power is NOT limited just because the sick doesn't have a good diet.
- Healing power is NOT limited just because the sick person goes up for prayer again.
- Healing power is NOT limited by how much money the sick person put in the offering.
- Healing power is NOT limited by whether I get a sick person's permission.
  - I have authority over darkness whether they like it or not.
  - I don't need permission to speak healing over a child. (Laying on of hands you may)
  - If a person whom I cast a spirit out of wants their demon back, they'll be 7 times happier.
- Healing power is not limited by my righteousness.
  - In [Matt 7:22-23](#), even evildoers performed miracles.
- Healing Power is not limited by my bible knowledge, or how flawless my doctrine is.
  - How much bible knowledge did the centurion have? [Matt 8:8](#)
  - He wasn't spirit filled, and His country of Rome didn't even have a covenant with God.
  - You can have errors in your doctrine, and God's Power still Heals.

## **Beware not to...**

- It's NOT the ministers Job to give medical advice, or advice on medications. It's against the law.
- It's not the Healing Ministers Job to go around condemning people for their sickness.
- Never say God is *going* to Heal you.
  - He already did His work 2000 years ago, "It is Finished", God has healed you. We just need to claim it.
- As Long as your mind is on You; how worthy you are, how good you are, do you deserve to heal others? It will distract you and hinder your faith. So get your mind off of YOU.
- Beware of anything you use as a Crutch for Healing. i.e. If you believe you always need anointing oil for Healing, then the minute you forget it, you've painted your faith in a corner.
- God's healing power is not your personal endorsement, or an endorsement of your doctrine.
- It's not for personal profit, [Matt 10:8](#) Freely you have received; freely give.
- Never charge money for healing, don't even do an offering during a healing service.
  - Too many ministries have abused this and given healing ministers a bad name.
- Saying you need to protect the anointing, is like saying you need to protect your Guardian Angels.
- In Healing, be general unless you know exactly what the issue is. Don't get caught up in details.
- The fist tactic satan will use against someone starting out in the Healing Ministry is intimidation,
  - "Who do you think you are? You just a worthless sinner trying to Heal, acting like God."
    - When this doesn't work, satan will switch his tactic from intimidation to pride.
  - "You are God's gift to mankind, the greatest of all ministers, everyone admires you..."
- If someone is really feeling a touch from God during your Healing prayer, you don't need to cut it short, you can just go into a blessing prayer after you've covered the medical issues.
- Occasional people will say they are healed, just to be kind to you, or just to agree in faith.
  - You don't need to accept that. Have them prove it. Do something to they couldn't do before.
  - I'll stop praying when I see results, not just because I hear someone's faith statements.
- You don't need to accept any unbiblical limitations that other Healing Ministers seem to be under.
  - If they say, I can pray for *this* but not *that*, you don't need to accept that limitation.

## **Things you might proclaim while ministering, to stir up faith:**

- I'm sorry, you have no right to be sick. You're not to bare, what Jesus already bore for you. That's not God's will. Sickness is illegal. And as God's policeman, I'm here to arrest and bind up that sickness.
- I take authority over all the power of the devil, over all sickness, illness, disease, disability, disorder, infirmity or impairment. And I strip away and take down all operations and influence of the evil one.
- devil, I'm here, flee before I have you tormented and slaughtered.
- The only thing between you and your healing is a devil. I'm here to get rid of it.
- On Earth as it is in Heaven, are there any sick people in Heaven? No!
- The bible says in [Psalms 103:2](#) "forget not all His benefits" Healing is one of them.
- This sickness has no right to be there. There shouldn't be 1 sick Christian.
- Healing is God's covenant promise, it's in the atonement, it's not a reward, you don't earn it.
- "By the Stripes of Jesus, you ARE healed!!" This is the most concise, biblically accurate pronouncement for healing.
- Jesus makes you whole. I bind all spirits of infirmity off you. I command Healing for your body.

# 'Religious' lies, delusions and deceptions regarding healing.

These are some of the many mistaken beliefs that prevent Christians from receiving Healing or operating in the Healing Ministry.

## **Salvation is God's greatest gift, not Healing.**

The Salvation that Jesus brought is for the Body, Soul and Spirit. It cheapens the meaning of Salvation by saying it is NOT for the Body (healing), or it is not for the Spirit (deliverance).

**Matt 10:8** Heal the Sick, Raise the Dead, Cleanse those who have leprosy, drive out demons, freely you have received, freely give.

**John 20:21** Again Jesus said, peace be with you! As the Father has sent me, I am sending you.

The word salvation is often used in Scripture to mean Healing.

## **If people see God's power, and you pray for healing, they might get into the Spiritualism or the Occult.**

**Matt 15:31** In so much that they multitude wondered when they saw the dumb spake, the maimed to be whole, the lame to walk, and the blind to see, and they glorified the God of Israel.

**Matt 5:16** That they may see your good deeds and glorify your Father in Heaven.

**Romans 2:4** the goodness of God leads people to repentance.

## **Jesus didn't heal everyone.**

**Matt 15:30** Great multitudes came to Him and He Healed them All.

**Mark 3:10** For He healed Many.

**Matt 19:20** Large crowds followed Him, and He healed them there.

**Matt 9:35** Jesus went through all the towns...and healed every disease and sickness

**Matt 8:16**...and He healed all who were sick

**Luke 19:11** ...healed those who needed healing.

Even in **Mark 6:5** where they took offence to him, resisted Him, and didn't have faith in Him, it still says... "except lay his hands on a few sick people and healed them" Jesus got results in Healing even with all these obstacles.

The bible does NOT say, "Jesus healed some, but not others."

The bible does NOT say, "Jesus could not heal because He didn't have a worship atmosphere, no quire was singing."

Jesus NEVER said... "Today is not your day for healing. It's not your time."

Jesus NEVER said... "I won't heal you until you get your life straightened out."

Jesus NEVER said... "I won't heal you until you fix your diet."

Jesus NEVER said... "God changed His mind, He no longer wants you healed."

Jesus NEVER said... "God it trying to teach you a lesson by giving you this sickness."

Jesus NEVER said... "I can't heal you until I do another fast."

Jesus NEVER said... "This sickness is because of sowing and reaping, so I won't heal it."

Jesus NEVER said... "After 6 months of counseling, then I will Heal you."

Jesus NEVER said... "This is because of a Generational Curse, so I won't heal you."

## **You need to be in the right frame of mind, with no sin in your life, in order to Heal.**

**Numbers 20:11** in this verse Moses was Angry, and disobeyed God yet still produced a miracle.

**Matt 7:22** In this verse these people produced miracles and deliverance and yet did not even know the Lord.

## **Someone can't receive their healing if they are living in Sin, because its sowing and reaping.**

**John 5:14** Later Jesus found him at the temple and said to him, "See, you are well again. Stop sinning or something worse may happen to you." (This man was probably sinning, yet Jesus still healed Him.)

**John 8:10,11** ...Has no one condemned you?" "No one, sir," she said. "Then neither do I condemn you," Jesus declared. "Go now and leave your life of sin."

## **Healing takes Great Faith.**

Jesus said it takes a mustard seed of faith to move a mountain, it doesn't take a mountain of faith to move a mustard seed size tumor.

# 'Religious' lies, delusions and deceptions regarding healing.

These are some of the many mistaken beliefs that prevent Christians from receiving Healing or operating in the Healing Ministry.

## Focusing on Healing gets you out of Focus.

Then Jesus must have been the most 'Out of Focus' preacher ever, because He saw healing where ever He went.

If you hear 52 sermons a year, and you only see 1 or 2 healings or deliverances, would you say that you are 'in focus' or 'out of focus?'

The last thing a man wandering in the dessert needs to worry about is drowning.

## You can't command Healing, because God is sovereign, He makes the decision.

Yes, and He was sovereign when He said, [Mark 16:18](#) "they will place their hands on sick people, and they will get well."

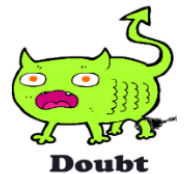

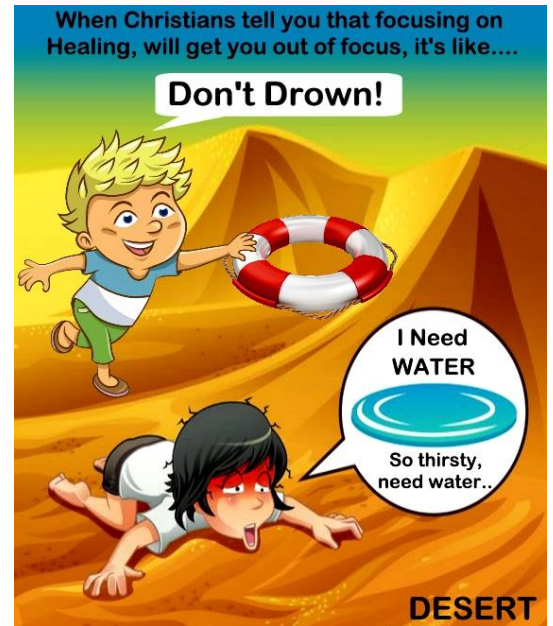

God was sovereign when He said in [Luke 9:1](#) Jesus gave them power and authority to drive out all demons and to cure diseases

God was sovereign when He defeated sickness at the cross.

Sovereign doesn't mean fickle.

God being sovereign means His promises are also Sovereign.

Sovereign doesn't mean God is wavering on His promises.

**You already have the Check for  
the Healing, you just need to Cash it.**

**Just get past doubt and distraction.**

# WHAT TO DO – HOW TO MINISTER HEALING

1. Determine Problem
  - a. Get name or
  - b. Symptom(s)
  - c. Find out what the people can NOT do.
  - d. When praying, have the person just say, "I agree, I receive"
2. If no name (can't be diagnosed "known through"):
  - a. Attack (cast out, evict) the spirit of infirmity.
3. If more than 2 problems (names or symptoms):
  - a. Attack (cast out, evict) the spirit of infirmity.
4. If problems started with a traumatic experience:
  - a. Attack (cast out, evict) the spirit of infirmity.
5. Once the problem is determined:
  - a. Declare the problem has no right to remain.
  - b. Declare the person is free in the Name of Jesus.
  - c. Deliver LIFE (virtue/power) by the method you choose:
    - i. Laying on of hands
    - ii. Prayer cloth
    - iii. Words
    - iv. An action to be obeyed
  - d. Tell the spirit/problem what you want it to do.
  - e. Tell the body what you want it to do:
    - i. "Be healed." "System" function, etc.
  - f. Tell the person to do what they could not do.
  - g. Keep working with them until they can do what they could not do before.
  - h. Have them testify of any changes.

# THE HEALING COVENANT

Lord Jesus Christ, I'm now entering the Healing Ministry.

I choose to go and pray for any sick person who would allow me the opportunity.

I am asking for and expect....

...plenty of opportunities to meet and pray for the sick, and those needing deliverance.

...that Your Healing Anointing will heal all sickness, illness, disease, disorder, infirmity or impairment as it did in the Bible.

...instant, dramatic, awe inspiring healings, similar to what did in the bible.

There wasn't any vagueness, wondering if a healing occurred, it was obvious to all.

...prophetic feeling/pains to help me know where the problem is located on the person.

...the Word of Knowledge to know who in the crowd is being healed.

...the ability to place my hand and a list of names and see them all healed.

...the person to feel heat in the problem area, so that they know a Healing has taken place.

I promise not to take personal Glory for Your Healing.

I promise to freely pray for anyone, not using the gift for personal profit.

I promise to train up others in the ministry.

I know that any working of Healing through me is not an endorsement of me or my doctrine.

I know that I have Authority over all the power of sickness, illness, disease, infirmity, disorder or impairment, and over all the power of the evil one.

I know that any failure to produce results in Healing is my fault. I'll never blame You or the sick person.

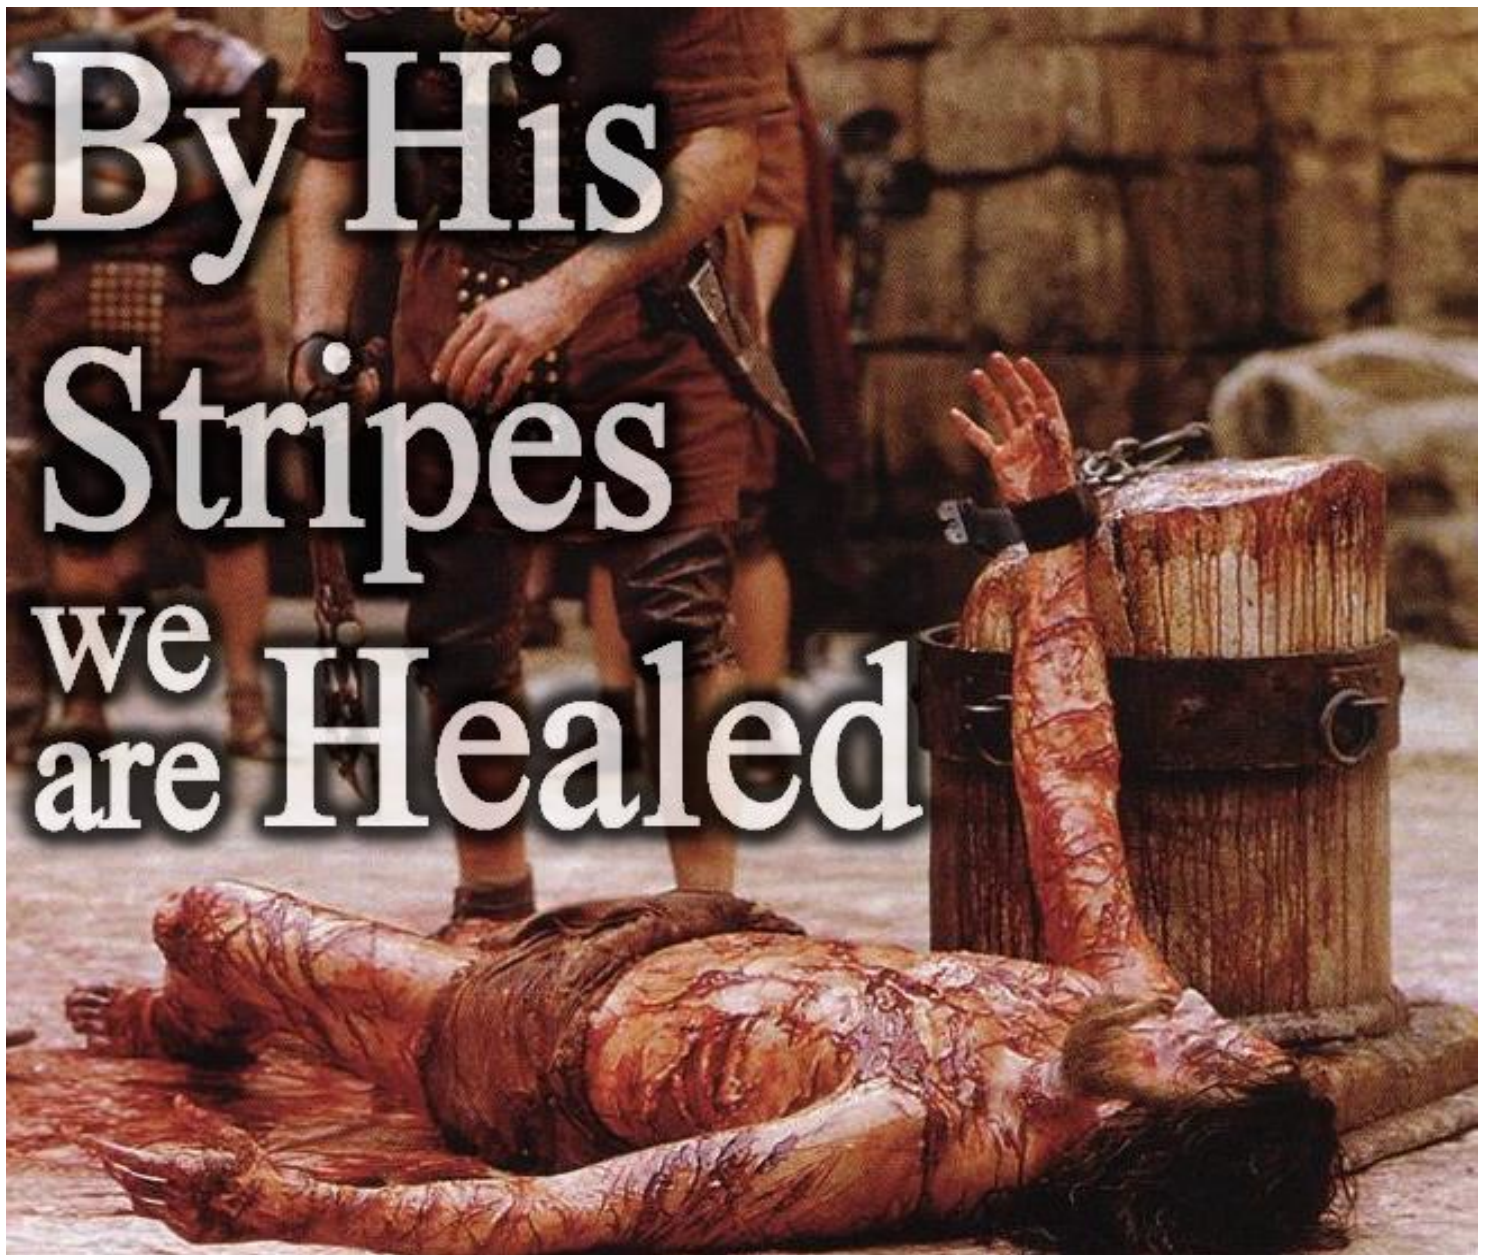

I know and will tell people that Healing is a sign for these 3 things...

1. God loves people and wants them to be healed.
2. Jesus' complete Victory on the Cross.
3. The Kingdom of God is near, it is Superior, and reigns Supreme over every other.

# By His Stripes we are Healed

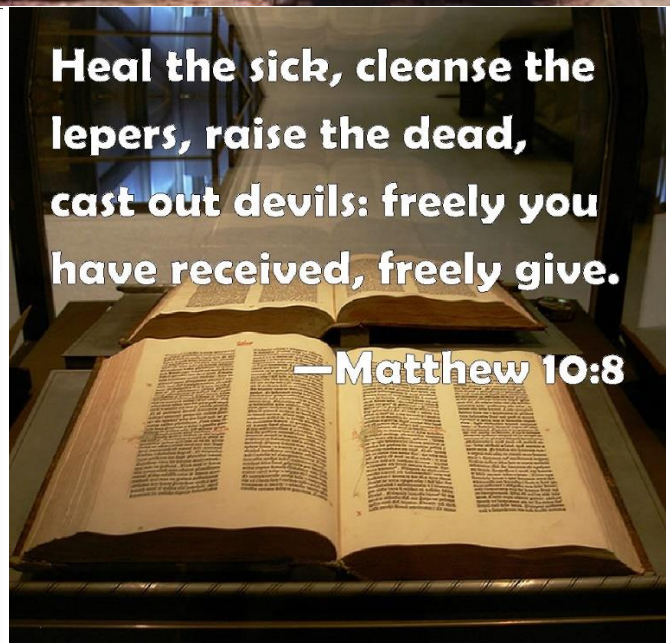

*And these signs shall follow them that believe... they shall lay hands on the sick, and they shall recover.*

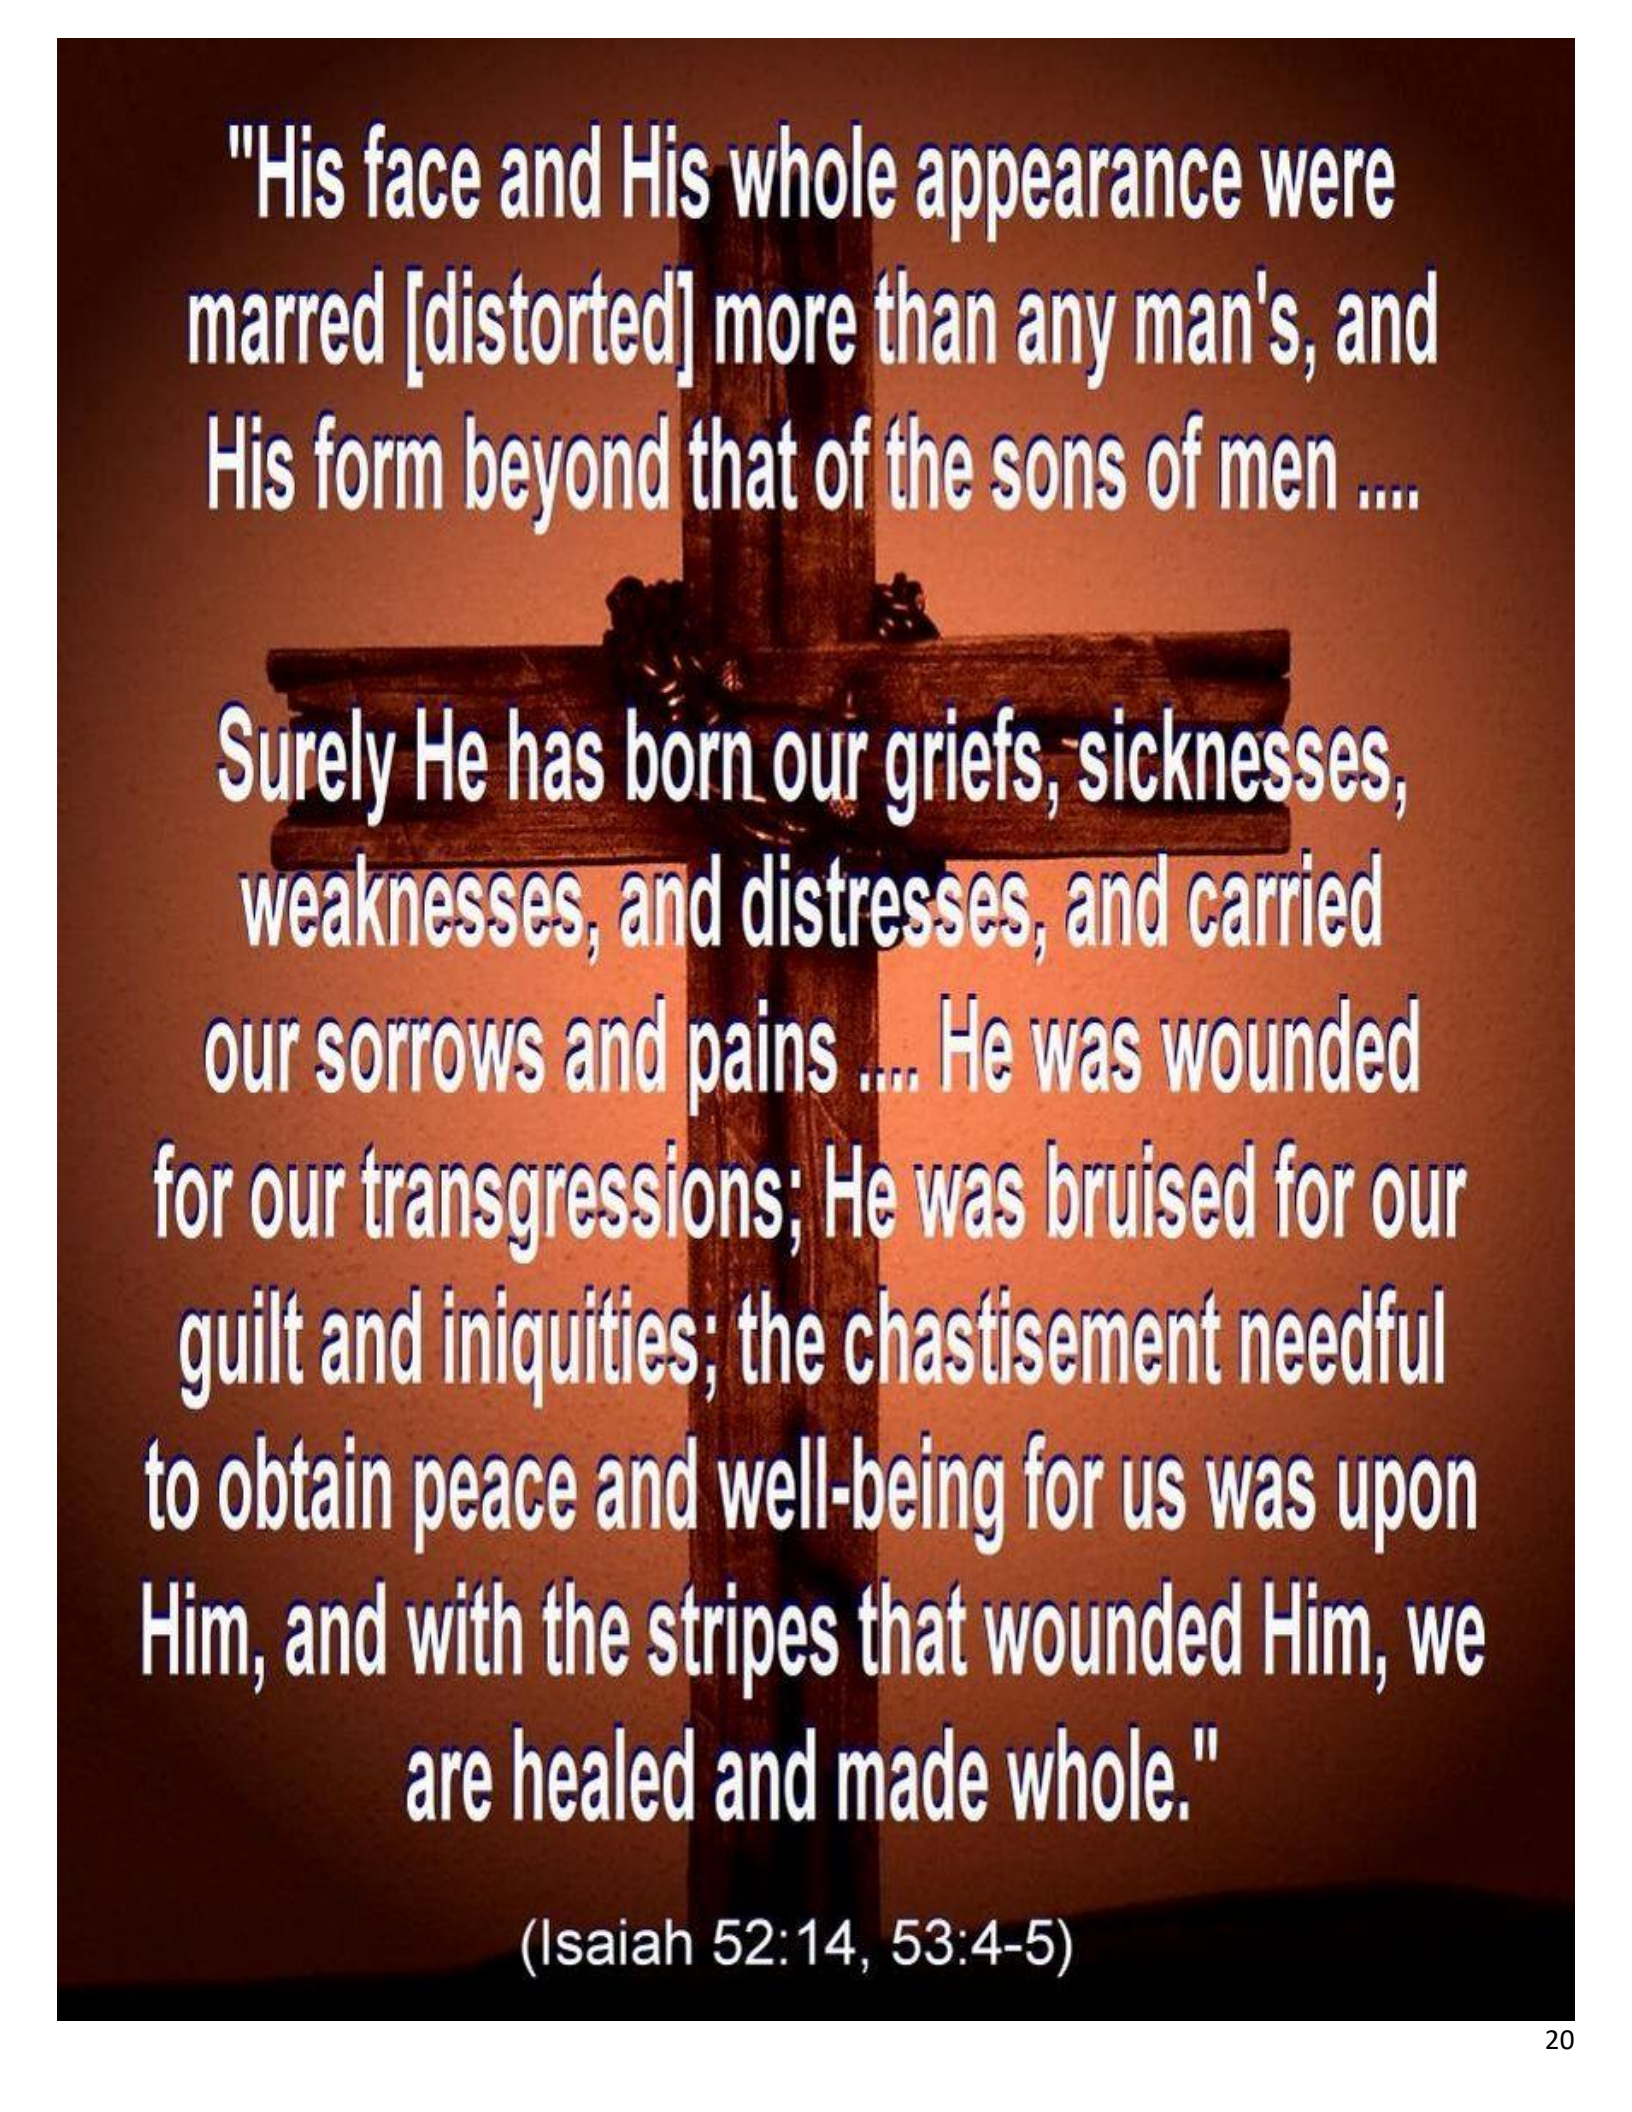

*Mark 16:17-18*

**Heal the sick, cleanse the lepers, raise the dead, cast out devils: freely you have received, freely give.**

**—Matthew 10:8**

A wooden cross is centered in the background, set against a dark red, textured background. The cross is made of two weathered wooden beams. The text is overlaid on the cross and background in a white, bold, sans-serif font.

"His face and His whole appearance were marred [distorted] more than any man's, and His form beyond that of the sons of men ....

Surely He has born our griefs, sicknesses, weaknesses, and distresses, and carried our sorrows and pains .... He was wounded for our transgressions; He was bruised for our guilt and iniquities; the chastisement needful to obtain peace and well-being for us was upon Him, and with the stripes that wounded Him, we are healed and made whole."

(Isaiah 52:14, 53:4-5)
