

The Lord declares:

*"I am rising in personality that I have shown through history in times that are strategic. I will now rise as Lord of Hosts, mighty and strong in battle." (Lord of Hosts is the Lord of Angel Armies)*

*"For the challenge of hell and the challenge of much of the world does not challenge Me," says the Lord. "But I will answer the challenge.*

*"I will now move in great strength, positioning and aligning Myself for aggressive movement upon the earth. You will see the strong arm of the Lord as you have never seen before in your generation.*

*"Indeed, I am rising in My aggressive nature and I will show that I am the Great One. I will show that from My throne is true and ultimate authority. I will show the weakness of those that arise to disdain Me or disdain My people.*

*"For I will now," says the Lord, "release strategies upon the earth that indeed block the adversary's strategies.*

*"We decree in Jesus' Name the adversary's strategies through that building (The White House) or any other building - it is blocked in Jesus' Name.*

*"I have seen them, I know them, and I have already set in motion their blockade," says the Lord. "I will destroy them with My power as My ekklesia rises. For this purpose the ekklesia partners with their King to destroy the works of the devil and they will in My Name.*

*"I will partner with them in awesome release of My strength. Great wisdom will empower them. Great understanding will show them a future strategy and great deliverance shall be handed to them for I am moving in ways that will startle the world. I am moving in ways that have been soaked in the prayers of My people.*

*"You will see the mighty hand of your God. You will see it in your lives, you will see it in your churches, and you will see it in this nation.*

*"For what has been planned by the adversary, I am turning like a hook in the jaw of an animal. For I declare the enemies of hell and the enemies of demon powers, the enemies of demonic forces, I am putting a hook in your jaw and I will drag you where I want you. You will not overthrow My work. You will not overthrow My Kingdom. I am determined that My Kingdom will stand and it will stand unshaken.*

*"Let great hope arise," says the Lord, "because I am rising with you in ways that you have never seen before. Indeed, do not be startled by the aggressiveness of who I am and the aggressive nature that I will now show.*

*"For I am rising in jealous aggression for My purpose. You will see it, you will know it, and you will live in it. For the arrows of heaven have now been released and you will hear the shout come up from the earth from My ekklesia - this is the Lord's deliverance. Arrows of deliverance have been released. You will hear the striking force and the sounds through the atmospheres - this is the arrow of the Lord's deliverance.*

*"Might deliverance has now been released. It has been released from the bow strings of heaven. It's been released by the command of your God. Let the shout arise in your heart. Let the shout of the Lord rise. The arrow of the Lord's deliverance. The arrow of the Lord's deliverance. The arrow of the Lord's deliverance. The arrow of the Lord's deliverance in this nation. The arrow of the Lord's deliverance into the atmospheres. The arrow of the Lord's deliverance has left the bow string of heaven. The arrow of the Lord's deliverance in political realms has now been shot," says the Lord. "Social realms, cultural realms, shoot it with My power. I will shoot it with My aggressive force. I shoot the arrow of the Lord's deliverance."*
