

Prayer of Repentance for Any Spiritual Contamination in the Development and Use of Vaccines

Father, in the Name of Jesus, I repent and renounce on behalf of myself and my family line for:

- Cruelty inflicted upon animals who were subjects of scientific experimentation
- Participation in human abortion, harvesting of aborted fetal tissue and cells, manipulation and scientific experimentation on these cells
- Incurring the consequences and effects of the sin, iniquity, and curses resulting from receiving a vaccine derived from cells that were harvested from an aborted fetus
- Aligning with transhumanistic ideologies as a tool for infecting mankind
- Attempting to corrupt human DNA/RNA with foreign sources of DNA/RNA
- Attempting to use scientific experimentation to produce corruptions of God's design^[1]
- Having nefarious and hidden agendas with regard to vaccine creation
- Manipulating and/or contaminating a vaccine for harm rather than good
- Performing ungodly dedications or cursing the research, development, production and distribution of vaccines
- Intending to contaminate the body, soul, and spirit with foreign human and/or animal source material
- Receiving a vaccine with the knowledge that it ran counter to our moral convictions
- Causing fear, deception and intimidation to those who did not want to receive vaccination

Lord Jesus, You are the source of all righteous knowledge and understanding, and I thank You for:

- Equipping those in the scientific community with the ability to develop vaccines for the benefit of mankind
- All righteous and beneficial effects of vaccines for the prevention and eradication of disease

Lord Jesus will You please:

- Forgive me for receiving into my body any vaccine that was contaminated and corrupted with evil intent and action
- Remove all contaminants that may have been introduced into the cells in my body
- Cut all ungodly soul and spirit ties to any human, animal or foreign being that is associated with any vaccine that I received into my body going back before the beginning of time
- Cut all ties to any fallen sons of God who used vaccine production to manipulate mankind for evil purpose, regardless of the age in which this manipulation took place
- Remove curses and iniquity from my body, soul, and spirit that were placed on me because I partook of a vaccine derived from an abortion and cut all ungodly ties with the generational lineage any aborted fetuses used to create the cell strains required in vaccine development

- Remove all generational deception, fear, and intimidation over vaccination and grant me Your wisdom regarding receiving vaccinations in the future

[1] We feel this is similar to how the fallen sons of God produced Nephilim by trying to bypass God's design for procreation
